SANTÉ LA PRAIRIE

WHY BECOME A MEMBER?

WANT TO BECOME A MEMBRE?

The Coop de Santé La Prairie is a non-profit organization built on a comprehensive community approach in which each patient is treated as an individual. We devote all the time needed to addressing their issues to the best of our abilities, without making them feel intimidated or like a nuisance.

However, it's important to note that **the membership fee goes strictly toward covering the cooperative's operating costs and does not guarantee access to a family doctor**. The *Health Insurance Act* stipulates that the payment of membership fees or annual fees must never be a prerequisite for access or faster access to a doctor's services.

“
**EACH PATIENT IS
AN INDIVIDUAL
DESERVING OF ALL
THE TIME THEY NEED**
”
